Special Notice

The proposed new Club Constitution will not be approved by Consumer Affairs Victoria in time for the Club's 2017 Annual General Meeting.

Hence, the Club will conduct this year's AGM under the current Constitution.

The Club's Committee structure, as known to Club members over the past many years, will remain unchanged. Nominations for those positions are now called for, with application forms available.

The new Club Executive will call a Special General Meeting of Club members in the first quarter of 2018, with the intention of implementing the new Constitution, which has been voted on and accepted by the Club members.

Thank you for your support.
